

CURRICULUM VITAE

1. Personalia

Name : Simon Horenblas

Date and place of birth : February 24th 1953, The Hague, The Netherlands

Marital status : married to I.H. van Meekren
daughter Judith born 28-10-1985
son Abraham Jacob (Bram) born 08-05-1987

Address : Hacquartstraat 13, 1071 SG Amsterdam

2. Education

1971 – 1979 : Medical studies at the Municipal University of Amsterdam
(Gemeente Universiteit, Amsterdam)

1981 – 1984 : Resident in general surgery: Roman Catholic Hospital
“Maria Stichting”, Haarlem

1984 – 1987 : Training as urologic surgeon: “Onze Lieve Vrouwe Gasthuis”
and “University Hospital of the Free University”, Amsterdam.

1988 : Appointed as urologic surgeon at The Netherlands Cancer
Institute- Antoni van Leeuwenhoek Hospital, Amsterdam.

1992 : Fellow of the European Board of Urology.

1993 : PhD (title thesis: The management of penile squamous cell
carcinoma).

1993 : Chief Department of Urology at the Netherlands Cancer
Institute/ Antoni van Leeuwenhoek Hospital, Amsterdam.

2001 : Professor of Urological Oncology, University Hospital of
the Free University.

2015 Professor of Urology, University of Utrecht.

3. Additional education

1982 : Microsurgery training (Rotterdam)
1989 : Laparoscopy training (Maastricht)
1997 : Sabbatical leave (Memorial Sloan Kettering Cancer Center,
New York, Inzellspital, Bern)
2003 : Medical Statistics training (Amsterdam)

4. Awards

1991 : NVU prize for best oral presentation (Vlietstraprijs)
1992 : EAU prize for best oral presentation bladder cancer session
2005 ; NVU prize for best oral presentation (Vlietstraprijs for Jakko
Nieuwenhuijzen)
2005 ; EAU best presentation poster session (for Joost
Leijte)
2005 : NVU prize for best PhD manuscript (Moonen prijs for Bin
Kroon)
2005 ; Folke Edsmyr award (Karolinska Hospital) for
“outstanding contributions in the progress of cancer research
in urology”
2015 EAU innovator’s award

Work experience

5. Function

Research Supervision and personal research

Education Trainer/mentor (opleider) for urology residents (urologic
oncology) at the NKI-AVL
Structured education for residents in urology (NVU)
Structured education European Association of Urology

Clinical work

Head department of urology Netherlands Cancer Institute-
Antoni van Leeuwenhoek Hospital, full time urologist

6. Research experience

Organ preservation and reconstruction in urologic oncology:
-Role of RFA in renal cell cancer
-Results of sexuality preserving cystectomy and neobladder
-Role of brachytherapy in bladder cancer
-Role of penis preserving treatment in penis cancer

Role of sentinel node biopsy in renal cancer, bladder
cancer, penile cancer and testicular cancer

Etiology of squamous cell carcinoma of the penis
Role of HPV and other factors

Immuno-monitoring in sentinel nodes of renal cell cancer and
penile cancer

Role of microenvironment in squamous cell cancer

7. PhD supervision (promotor)

2005	Axel Bex: Timing of nephrectomy and systemic therapy in primary metastatic renal cell carcinoma, UMCU
2005	Bin Kroon: Dynamic sentinel node biopsy in penile carcinoma, VUMC
2007	Anne Lont: Refinements in the etiology and management of penile squamous cell carcinoma, VUMC
2008	Joost Leijte: staging treatment & follow-up of penile Carcinoma, VUMC
2010	Jakko Nieuwenhuijzen: The surgical treatment of bladder cancer, VUMC
2011	Niels Graafland: Contemporary management of penile squamous cell carcinoma, VUMC
2012	Lenka Vermeeren: Sentinel nodes in complex areas: innovating radioguided surgery, UvA Remco de Vries: Surgical management of invasive bladder cancer, VUMC

2013	Oscar Brouwer: Innovating image guided surgery, UvA
2014	Richard Meijer: High risk bladder cancer: staging, risk assessment and treatment options, VUMC
2014	Laura Mertens: Muscle invasive bladder cancer, VUMC
2015	Rosa Djajadiningrat: Past, present and future in the management of penis cancer (UMCU)
2017	Sarah Ottenhof: penis cancer
2017	Elies Fransen van de Putte: bladder cancer
2017	Tom Hermans: bladder cancer
2017	Tycho Lock: management of ureteral strictures

9. Grants/Sponsoring

J.C. v.d. Veen Foundation
Mundo Cristina Foundation
Nijbakker Morra Foundation
Stichting Mevrouw Angelique Fanny Doedes Breuning ten Cate-Baronesse van Heeckeren van Molencaten-Fonds
ZonMW project
Start funding NKI-AVL

10. Membership committees

Chairman urological working group, Comprehensive Cancer Center (IKA), Amsterdam (until 2007)

Chairman urological working group Netherlands Cancer Institute-Antoni van Leeuwenhoek hospital

Chairman Dutch guideline committee prostate cancer (until 2004)

Member guideline committee penile cancer EAU

Member indicator committee bladder cancer

Member scientific committee NVU (until 2006)

Member quality committee NVU (until 2004)

Chairman penile cancer guidelines EAU (until 2013)

11. Educational experience

Mentor residents in urology

Lecturer residents in urology and post-doctoral education

EAU lecturer school of oncology

12. Membership PhD committee

- 2001 **Coen Rasch:** Imaging modality and observer variation for target delineation in conformal radiotherapy, VUMC
- 2002 **Igle Jan de Jong:** Positron emission tomography in urologic oncology, AZG
- 2003 **Wolter Oosterhuis:** Superficial bladder carcinoma: studies on markers in pathology and follow-up, VUMC
Rob Pelger: Prostate Cancer and The Skeleton, LUMC.
- 2005 **Otto Visser:** Etiological & prognostic studies with the use of a population-based cancer registry, VUMC
Jesse Roan Spermon: Refinements in the management of testicular germ cell tumours, UMCN
Floris Pos: Radiotherapy in muscle invasive bladder cancer, AMC
Vidija Soerdjbalie-Maikoe: Hormone-refractory prostate cancer and the skeleton, LUMC
- 2006 **Bas van Rhijn:** Molecular diagnosis and prognosis of bladder cancer, EUR
- 2007 **Martijn Lutke Holzik:** Genetic predisposition to testicular Cancer, AZG
Stijn Roemeling: Screening for prostate cancer, EUR
- 2008 **Claartje Gosselaar:** Screening for prostate cancer, EUR
- 2010 **Marcel Steggerda:** I-125 seed implants for prostate brachytherapy, VUMC
- 2011 **Joost Boormans:** Prognostic implications of important genetic alterations in prostate cancer, EUR
Karel Hinnen: Factors influencing outcome of I-125 prostate cancer brachytherapy, UMCU
- 2012 **Martine Ploeg:** Muscle invasive bladder cancer: diagnostic and prognostic aspects, UMCN
Jorgen Jensen: Lymph node dissection in bladder cancer, University of Aarhus
- 2013 **Ronald Draga:** Optimizing the diagnosis and treatment of bladder cancer, UMCU
Katja Goosens- Laan: Muscle invasive bladder cancer UMCU
- 2013 **Harm Arentsen:** New intravesical treatment modalities for non-muscle invasive bladder cancer, UMCN
- 2014 **Anne Groothuis:** The role of host factors in bladder cancer outcome, UMCN

- Gerard van den Top:** Towards an evidenced based standardized approach for the management of penile and preputial tumours in the horse, UMCU
- Martijn Stuiver:** Morbidity after lymph node dissection in patients with cancer, UvA
- 2015 **Max Bruins:** Optimizing staging and treatment of muscle invasive bladder cancer, UMCN
- 2016 **Jorg Oddens:** Clinical efficacy and side effects of maintenance bacillus Calmette-Guérin in the treatment of non-muscle-invasive bladder cancer, UMCN

13. Editor Dutch Journal of Urology (Nederlands Tijdschrift voor Urologie, until 2010)
Prostate cancer and prostatic diseases (until 2004)

14. Reviewer British Journal of Urology
European Journal of Oncology
European Journal of surgical oncology
European Journal of Urology
Indian Journal of Cancer
International Brazilian Journal of Urology
Journal of Urology
Oncology, International Journal for Cancer Research and Treatment
Scandinavian Journal of Urology and Nephrology
Urology
Urologia Internationalis
World journal of urology

15. Membership Member board Division Surgical Oncology
Netherlands Cancer Institute/Antoni van Leeuwenhoek Hospital, Amsterdam
Member board urological working group Comprehensive Cancer Centre (IKA) Amsterdam (until 2007)
Dutch Association of Urology (NVU)
Dutch Association of Oncology (NVO)

Dutch Association of Surgical Oncology (NVCO)
Genito-Urinary group European Organization of
Research and Treatment of Cancer (EORTC)
European Association of Urology (EAU)
American Association of Urology (AUA)

16. Lectures on invitation (selection only)

2001	3d Nordic course in urologic oncology, Stockholm Surgical anatomy of the pelvis, Leiden
2002	11th European Urological Winter Forum; Davos, Switzerland Urologic oncology in the Tropics, Suriname Lecture cyclus urological oncology, Suriname
2003	Farewell symposium; Prof dr. D.W.W. Newling: Ethical issues surrounding the management of prostate cancer patients
2004	Teaching Course ESU, Vienna Teaching Course BAUS, Harrogate 2nd European uro-oncological forum, Italy Teaching Course ESU, Zagreb Teaching Course, BAUS, section of Adrology, London
2005	Surgical anatomy of the pelvis, Leiden Deutsche Gesellschaft fur Urologie, Dusseldorf Folke Edsmyr Memorial Lecture, Stockholm 4th Nordic course in urologic oncology, Stockholm State of the art, congres association of oncology nurses, Utrecht Urology Arena, Bern
2006	Teaching course Birmingham Surgical anatomy of the pelvis
2007	Masterclass Urologic oncology NVU, Vinkeveen Comprehensive Cancer Center, Rotterdam Surgical anatomy of the pelvis, Leiden Spanish association of Urology, Mallorca

64th Oncology day, Amsterdam

2008	Sandwich course (NVO) State of the art lecture EAU, Stockholm Nordic course in urologic oncology, Stockholm Surgical Anatomy, Leiden
2009	Bladder cancer course, Amsterdam Surgical anatomy of the pelvis, Leiden EAU penile cancer teaching course Paris
2010	5th Nordic course in urologic oncology, Stockholm Visiting professor university hospital Aachen State of the art lecture EORTC bladder cancer symposium Amsterdam
2011	Lymphadenectomy penile cancer, state of the art lecture, ASCO GU, Orlando State of the art lecture. London
2012	State of the art lecture, Teheran State of the art lecture, EMUC, Barcelona State of the art lecture, London
2013	State of the art lecture BAUS, Manchester State of the art EMUC Marseille 6 th Nordic course in urologic oncology, Stockholm EUA lecture, ECCO Amsterdam
2014	State of the art lecture EMUC, Lisbon State of the art lecture, Leuven State of the art lecture Brimingham State of the art lecture, Amsterdam
2015	Urology Arena, state of the art, Bern Uro-oncology, state of the art, Zurich Uro-oncology, state of the art, Birmingham Future of uro-oncology, Heerlen

2016 State of the art lecture: Sentinel Node biopsy in urological oncology, Stockholm

17. Publications

Until 18/06/2016 261 peer reviewed publications in Pubmed

Bookchapters/books:

Adjuvant treatment in urological cancers. Ed. A.S. Abi-Aad 1997

Carcinoma of the kidney and testis and rare urologic malignancies. Ed. A.L. Baert et al. 1999

Comprehensive textbook of genitourinary oncology. Ed. N.J. Vogelzang et al. 2000/2006

Leerboek urologie. Ed. C.H. Bangma. 2002/2008/2013

Imaging in urologic oncology. Ed. J.J.M.C.H. de la Rosette et al. 2005

Bijblijven, urologische problemen bij de man. W.J.H.M. Bosch et al. 2005

Pathology and genetics of tumours of the urinary system and male genital organs. Ed. J.N.Eble et al. 2002

Prognostic factors in cancer. Ed. M.K. Gospodarowics et al. 2006

Renal cancer. Ed. J.J.M.C.H. de la Rosette et al. 2008

Radioguided surgery. Ed. G Mariani et al. 2008

Urologic oncology. Ed. V. Nargund et al. 2008

Human Papillomavirus. Ed. A. Rosenblatt et al. 2009

Textbook of penile cancer. Ed. A. Muneer et al. 2012

Compendium urologie. Ed. B.P.J. v. Bezooijen et al. 2012

Penile cancer. Ed.P. Spiess. 2013

Textbook of penile cancer 2nd ed. 2016
